Reporting back to the team – I met with Mark Wilson today. It was a high level meeting, touching on history and looking to the future. We also talked in general about port development.

Also wanted to let you know that yesterday, I was at an event and ran into Richard DeBolt. He suggests a meeting with the Port, the County and himself next week. To discuss their next steps, roles of each of our organizations, how to maintain open communication, etc.

It was my impression it would be Richard, Tiffany and someone from Cowlitz County. I'm going to look at calendars for Perry, Bill and me to find an hour or 90 minute time slots for next week and email those to Richard.

Thanks,  
Sally

**Subject:** FW: Meeting on Friday

FYI – Mark Wilson reached out requesting a short meeting with me. He wants to briefly talk about the Ports views on next steps, and explore ways to work together. He emphasized this will be at high level conversation, and that he is not bringing anyone.

We are meeting this Friday at 11:30 a.m.

Hi Mark –

Thanks for your email. Yes, I'd be happy to meet and learn the status of the NWIW project from the Port's perspective. I'm available on Friday but do have several existing appointments. Would 11:30 work for you?

It would be helpful to know a bit more of the specifics you'd like to discuss, so I encourage you to give me a call at 360-407-6307.

I'm including my assistant, Tracy Martin, in this email so she can help us cement the time and meeting room for Friday.

Best regards,  
Sally

Hi Sally,

I will be in Olympia on Friday morning. Are you available for a few minutes to discuss the status of the NWIW project?

I have a meeting in the governor's office at 9:30. Other than that, I am flexible.

Thank you,

Mark
