Thanks, Sally. Just so you know – if this meeting occurs, I will not be able to be there until about 11.

Hi Tracy – please check with Mr DeBolt to confirm the meeting he requested Nov 13 at 10:30 a.m..

(Yesterday, in a conversation with Elaine Placido, when I brought up the meeting she suggested that the meeting was going to be cancelled.)

If the meeting is going to be cancelled, please cancel the internal “prep” meeting that we have Thursday afternoon.
