FYI. I am letting Gordon know and inviting him to the meeting tomorrow as well. "Kent" is Kent Caputo from NWIW.

Emily,

Richard DeBolt, our point guy with Ecology on the Kalama matter since the beginning, is planning on attending our meeting tomorrow with Kent. I think your ECY guys know him, but I wanted to let you know in advance as I just learned this myself, and I wanted to make sure that you have no objections.

Please let me know.

Thanks - Erin
